

## This Valley

**Intro/Outro:** | Cm7 | \*G7 (4x)

**Verse 1:** | Cm7 | \*G7

This valley  
seems to have it out against me  
always turning, always twisting  
till the bitter end, until I crash  
until I lose control

**Verse 2:** | Cm7 | \*G7

This valley  
Swallows all the light around me  
Always casting empty shadows  
Draining all my hope, until its gone  
Until I just don't care

**Prechorus:**

| Fm7 | Fm7  
My lips are cracked  
| Cm | Cm  
My heart is pounding  
| G7 | G7 | G7 | G7  
I can't do this on my own

**Chorus:**

| Abmaj7 | Abmaj7 | Eb | \*Gm  
You are with me in the fight  
| Abmaj7 | Abmaj7 | Eb | C\*m  
In the moments when I just can't go on  
| Abmaj7 | Abmaj7 | Gm | Gm  
and You'll carry me when all my strength is gone

**Chorus 2:**

| Abmaj7 | Abmaj7 | Eb | \*Gm  
You are with me in the fire  
| Abmaj7 | Abmaj7 | Eb | C\*m  
In the furnace where the thought of rescue's gone  
| Abmaj7 | Abmaj7 | Gm | Gm  
and Your by my side when all the flames rage on

**Verse 3:** | Cm7 | \*G7

This desert  
Seems to know me by my first name  
Always leaching, dehydrating  
Till the waters gone, until I'm dry  
And I have nothing left

**Verse 4:** | Cm7 | \*G7

This desert  
Has the power to consume me  
Always pulling, sweetly calling  
Selling the mirage that I'm enough  
That I can bear the weight

**Prechorus 2:**

| Fm7 | Fm7  
My head is bowed  
| Cm | Cm  
My heart is broken  
| G7 | G7 | G7 | G7  
I'm desperate for all you are
