

Verse 1:

God I want more of You
I need less of me
Fill my hands and my heart
And the spaces in between

God I need more of You
You want all of me
Take Your throne on my heart
Come and take everything

Prechorus:

All I am, for all You are

Chorus 1:

Father, be glorified
Jesus, be magnified
Spirit, reign in me

Verse 2:

Oh my soul longs for You
How it aches for more
Draw me closer, my God
Then I've ever been before

Come like a wildfire
Set our lives ablaze
We will burn like the sun
We will shine with Your praise
